**ORANGE COUNTY CHILDREN'S FOUNDATION GROUP HOME CONTRACT COMPLIANCE
MONITORING REVIEW**

The Department of Children and Family Services (DCFS) Out-of-Home Care Management Division (OHCMD) conducted a review of Orange County Children's Foundation Group Home (Orange County Children's Foundation) in November 2012. Orange County Children's Foundation has one site in the Second Supervisorial District; one site in the Fourth Supervisorial District; and one site located in Orange County and provides services to Los Angeles County DCFS foster children and youth, as well as children from other counties. According to Orange County Children's Foundation's program statement, its purpose is to "increase the likelihood that those residents who remain in the program until their 18th birthday will demonstrate a measurable increase in academic and social adaptive skills and a decrease in maladaptive behaviors to enable them to adjust successfully as adults."

Orange County Children's Foundation has three six-bed sites and is licensed to serve a capacity of 18 males, ages seven through 18. At the time of review, Orange County Children's Foundation served 16 placed DCFS children. The placed children's overall average length of placement was 10 months, and their average age was 16.

SUMMARY

During our review, the interviewed children generally reported feeling safe at Orange County Children's Foundation; having been provided with good care and appropriate services; being comfortable in their environment and treated with respect and dignity.

Orange County Children's Foundation was in full compliance with nine of 10 areas of our Contract compliance review: Licensure/Contract Requirements; Facility and Environment; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

"To Enrich Lives Through Effective and Caring Services"

We noted a deficiency in the area of Documentation of Services Delivery. Orange County Children's Foundation needed to develop comprehensive initial and updated Needs and Services Plans (NSP). We instructed Orange County Children's Foundation supervisory staff to enhance monitoring and provide training to eliminate documentation issues.

Attached are the details of our review.

REVIEW OF REPORT

On December 19, 2012, the DCFS OHCMD Monitor, Edward Preer, held an Exit Conference with Orange County Children's Foundation staff, Rachel Suit, Assistant Executive Director; Irene Yohn, Assistant Executive Director; Todd Cutchlow, Administrator; Mike Yanes, Facility Manager; Diana Zamudio, Facility Manager; Deborah Bell, Facility Manager; Eduardo Santillan, Facility Manager; Shanna Ornellas, Therapist; Vivian Patencia, Therapist; and Kristal Green, Therapist. Orange County Children's Foundation representatives agreed with the review findings and recommendations; were receptive to implementing systemic changes to improve their compliance with regulatory standards; and to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller (A-C) and Community Care Licensing (CCL).

Orange County Children's Foundation provided the attached approved CAP addressing the recommendations noted in this compliance report.

We will assess for implementation of recommendations during our next monitoring review.

CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2012-2013**

SCOPE OF REVIEW

The following report is based on a "point in time" monitoring visit. This compliance report addressed findings noted during the November 2012 review.

The purpose of this review was to assess Orange County Children's Foundation's compliance with its County contract and State regulations and included a review of Orange County Children's Foundation's program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 10 areas:

- Licensure/Contract Requirements
- Facility and Environment
- Maintenance of Required Documentation and Service Delivery
- Educational and Workforce Readiness
- Health and Medical Needs
- Psychotropic Medication
- Personal Rights and Social Emotional Well-Being
- Personal Needs/Survival and Economic Well-Being
- Discharged Children
- Personnel Records

For the purpose of this review, five placed children were selected for the sample. We interviewed each child and reviewed their case files to assess the care and services they received. Additionally, three discharged children's files were reviewed to assess Orange County Children's Foundation's compliance with permanency efforts. At the time of the review, three of the five sampled children were prescribed psychotropic medication. We reviewed their case files to assess for timeliness of Psychotropic Medication Authorizations (PMAs) and to confirm the required documentation of psychiatric monitoring.

We reviewed three staff files for compliance with Title 22 Regulations and County contract requirements, and conducted site visits to assess the provision of quality of care and supervision.

CONTRACTUAL COMPLIANCE

We found the following area out of compliance.

Maintenance of Required Documentation and Service Delivery

In January 2012, Orange County Children's Foundation's representatives attended OHCMD's NSP training. It was noted that two of five initial NSPs and the 14 updated NSPs reviewed were developed after the OHCMD NSP training.

ORANGE COUNTY CHILDREN'S FOUNDATION GROUP HOME
PAGE 2

All NSPs were developed timely. However, none of the five initial NSPs and none of the 14 updated NSPs were comprehensive.

- Some of the initial NSPs did not address the child's Permanency Plan goal and they did not identify the child's individual goals. Some of the NSPs did not provide detailed information in the Education section, did not address the child's and group home's participation in school related activities, and did not explain the child's California High School Exit Examination status. Some of the NSPs did not explain the group home's efforts to provide the children with Life Skills. Some of the NSPs did not explain why there was no parental involvement with the child and did not explain why there was no parental involvement in the child's treatment program.
- Some of the initial issues were also of concern in the updated NSPs. Some of the updated NSPs did not describe the child's involvement with others important in his life and did not provide a recommendation regarding the feasibility of the child returning home, placement in another facility or move into independent living. Some of the NSPs did not describe transportation arrangements for the youth to participate in Independent Living Program. In addition, some of the NSPs did not address the group home's contact with the CSW over three months and the goal completion dates were beyond 90 days.

Orange County Children's Foundation representatives agreed that all required elements were not included in the NSPs, and they will take corrective actions to ensure the development of comprehensive NSPs.

The Monitor reviewed the NSP training template with the Orange County Children's Foundation representatives. Orange County Children's Foundation will enhance monitoring of the NSPs. The group home facility managers and therapist will meet monthly to ensure all the NSP's required elements are addressed. Denita Trowel, the Group Home Administrator will review and sign off on all the NSPs. Rachel Suit, Assistant Executive Director; and Irene Yohn, Assistant Executive Director; will review a sample of the NSPs, monthly.

Recommendations

Orange County Children's Foundation's management shall ensure that:

1. Comprehensive initial NSPs are developed and include all required elements in accordance with the NSP template.
2. Comprehensive updated NSPs are developed and include all required elements in accordance with the NSP template.

**PRIOR YEAR FOLLOW-UP FROM DCFS OHCMD's GROUP HOME CONTRACT
COMPLIANCE MONITORING REVIEW**

The OHCMD's last compliance report, dated June 18, 2012, identified six recommendations.

Results

Based on our follow-up, Orange County Children's Foundation did not fully implement three of six previous recommendations for which they were to ensure that:

- They develop comprehensive initial NSPs.
- They develop comprehensive updated NSPs.
- Monthly contact with CSWs is appropriately documented
- They develop an appropriate rewards and discipline system.
- Behavioral consequences are fair for all placed children.
- Full implementation of the outstanding recommendations for the 2011-2012 monitoring report as initial and updated NSPs were not comprehensive.

Orange County Children's Foundation did not implement recommendations of being in compliance with the development of comprehensive initial and updated NSPs.

Recommendations

Orange County Children's Foundation's management shall ensure that:

3. It fully implements the July 12, 2012, outstanding recommendations from the 2011-2012 fiscal year monitoring review, which are noted in this report as Recommendations 1, 2, and 3.

Subject: Corrective Action Plan for Orange County Children's Foundation, Inc.

In response to the Group Home Contract Compliance Review findings, our Agency's Corrective Action Plan (CAP) included the following:

OHCMD FINDINGS:

III MAINTENANCE OF REQUIRED DOCUMENTATION AND SERVICE DELIVERY

23. The treatment team did not develop comprehensive Initial Needs and Service Plans (NSP)

- **The Initial NSP did not include the Permanency Plan goal:**
- **The goals were not identified:**
- **The goals were not identified:**
- **The Education Section was incomplete:**
- **The NSP did not explain why there was no parental involvement with the child:**

CORRECTIVE ACTION PLAN

On December 19, 2012 Mr. Edward Preer, OHCMD Monitor met with our three GH Therapist, Administrators and Managers to Review his findings of our agency. At that time he conducted a NSP Training and was able to address the many issues our Therapists were having with the NSP's.

Orange County Children's Foundation, Inc., developed a Check System Policy for all Needs and Service Plans (NSP). This involves the Group Home Therapist, the Site Manager and/or the Site Administrator and an outside Consultant (Denita Trowel who holds an Administrator Certificate and has 9 + years in the group home industry).

Seven days prior to the due date of any NSP the GH Therapist will meet with the Manager/Administrator and review each section of the NSP, confirming ALL REQUIRED

ELEMENTS WERE INCLUDED. After any necessary adjustments are complete the NSP will be emailed to the Consultant. At that time the Consultant will review the NSP making sure all sections are properly complete, confirm dates and review for any errors. If the Consultant has questions or requires clarification she will contact the OHCMD Monitor directly. Upon the Consultants approval of the NSP, it will be returned to the GH Therapist for signatures and delivered to the necessary personnel before the due date. A signature page has been developed documenting the meeting date and when the Consultant approved the NSP.

Group Home Management /Staff have ongoing contact with school personnel (Teachers, Counselors, Administration, etc...) almost on a daily basis, documentation regarding activities, school behavior, problems, school official concerns about the child's health, academic abilities, social skills and other issues of concern will be clearly documented in the GH Education Binder.
